

To the students of Parkdale School.

We would like to thank you for all the lovely cards you made for us, and for wishing us a merry Christmas. All of the soldiers loved getting cards for Christmas day to open around the trees outside.

Latvia is kind of like Canada and has lots to offer us. Their trees are just like the huge ones in BC, and their coast is just like the one in Halifax. It's been quite warm here and we haven't got any snow, which made for quite a green Christmas.

We would like to wish you all a very merry winter season and an even better rest of your year.

Sincerely, A Travelling Soldier
