## *April 2020*

We are hoping that at this time everyone is safe and maintaining social distancing.

This is a new situation for all of us. As we navigate through the first part of April please be in contact with your child's teacher. This is how we are going to figure out how to best facilitate learning for your children. Most of the teachers already have Google Classrooms in place and most students have already been accessing these classes throughout the year. Teachers have already, sent home student log in information. We are trying to work on schedules for teachers to be available for google meetings with students to support their learning. Please ensure you keep the line of communication open with the teacher, respond to their emails, give them a call, and let them know how things are going for you. The office is open and we are taking phone calls.

### **PARENT CLASSROOM**

We have set up a parent classroom. The purpose of this classroom is to support you the parents through this process. If you are interested in this please send an email to [sandra.wilson@wrps11.ca](mailto:sandra.wilson@wrps11.ca), or [brittany.ouellette@wrps11.ca](mailto:brittany.ouellette@wrps11.ca). We will then add you to the classroom and send you the code. You do need to have a google account in order to join the classroom. The teachers in this classroom are the Administration, Mrs. Stengel and Mrs. Rogers. We will be posting things to help you through this difficult time.

***PLEASE NEVER HESITATE TO CALL THE SCHOOL AND TALK TO SOMEONE, YOU ARE NOT IN THIS BY YOURSELF***
