Parent Teacher Interviews

Our first parent teacher interviews are scheduled for Thursday, October 8th from 4 to 8 pm. Our interviews will be done differently this year in that we are phoning or setting up Google Meets. You can call the school at 780-352-4594 to book your appointment or email your child's teacher to book your appointment.

Parent Advisory Meeting

We will be holding our first Parent Advisory Meeting on **Tuesday, October 6th at 4:00 pm**. We will be holding this meeting through a Google Meet platform. Please call the office at 780-352-4594 and give the office your email address if you wish to attend the meeting.

At this meeting our Trustee Leanne Axelsen will give her trustee report, we will discuss the protocols that we have in place for Covid, staffing update, our job embedded professional development days, and enrolment. We will also be looking to elect a new executive for our Parent Advisory Committee.

The Parent Advisory Committee is a link between the school and the parents. We work together to make the school the best we can for the students. We are looking at only four meetings this year. At each meeting we have the parents, the administration, a teacher and our trustee. The school shares information on what it is doing to support the students and asks for parent input.

If you are interested in attending but do not have the technology please contact the office and we will come up with a solution.
