

About Us

Our little bakery has been growing steadily since 2020. Family owned and operated locally in Wetaskiwin, Alberta. Our bakery is named after our youngest boy - Carter, who inspired me to work locally. We started at home, taking small orders for friends and family. Then our cookies started reaching out into our community. Now our cookies have journeyed across the country - from as far West as Vancouver Island, to the East of New Brunswick and as far south as Texas!

"A SMILE IS ONLY A COOKIE AWAY!"

COURTNEY AITCHISON
CARTER'S CREATIONS BAKERY

Community is something that is very important to us here at the bakery. Being able to help support locally has been our goal since the very first cookie went into the oven.

When we think of our community, we thought of the children in it and we wanted to help be able to help support their growth. As they are the future of everything we stand for.

With every purchase of our DIY Cookie Kits, you will receive a dozen (12) sugar cookies, four (4) different colored bags of icing, sprinkles, instruction sheet and design booklet.

Each design booklet will give you step-by-step guidance on how to decorate the monthly cookie design. Or it will inspire you to create your own sugar cookie masterpiece! Please remember to share your pictures!

The best part of this program is that \$10 from every cookie kit sold goes back into the school for our kids!
