21st - ECS

24th - ECS

26th - ECS

27th - Rocks and Rings

28th - ECS

31st - No School - Professional Development Day

## SAFE RETURN TO CLASS

At Parkdale School we are continuing to do what we can to ensure that everyone stays safe. Here is what you need to know:

- Masks are recommended for students in K to 3
- Masks are required for students in 4 to 8 (when students are in their desk facing straight ahead or they are eating masks can be removed)
- Masks are required by staff (when staff are working at their desk or eating masks can be removed)
- We are asking all parents to monitor their children's symptoms. Please check the AHS Daily Checklist that was sent home with the students. Any students that exhibit symptoms at school will be taken to a sick room and required to wear a mask. A phone call will be placed home and the student will need to be picked up immediately.

- Hand hygiene will be taught and hands will be sanitized upon entering the school and the classroom.
- We will continue to have increased cleaning of the surfaces at school.
- The medical masks that are coming to the school will be distributed to the students at school - as of this time we do not have them yet.
- We will communicate with families when the rapid tests will be sent home.
- Field trips, sports teams, assemblies and community use of the school has been suspended until further notice.
- As we are no longer being notified by AHS of positive cases we will not be communicating this information to our families.

We are following the expectations as laid out by Alberta Health Services, our plan will evolve with the expectations that the government puts in place.

## PARKDALE SCHOOL

Please follow us on Facebook and Twitter to keep update on what is happening at the school.
